

What is ECVET?

European Credit System for Vocational Education and Training

aims at facilitating the recognition of Learning Outcomes acquired by individuals on their way to a Qualification

Learning Outcomes achieved by an individual in different learning contexts can be recognised, accumulated and transferred towards a Qualification

Project Number:
538534-LLP-1-2013-1-IT-LEONARDO-LMP

Project duration:
1st of November 2013 - 30th of October 2015

SMEQUAL

SME's Qualifications Handbook

Improve the quality of Vocational Education and Training (VET) for the Small and Medium Enterprises (SMEs) through the application of European Credit System for VET (ECVET) in the Qualification systems

Target Groups

1. VET Providers
2. Universities
3. Small and Medium Enterprises
4. Enterprise associations
5. Self employed professionals
6. Entrepreneurs
7. Social Partners
8. Institutional stakeholders:
 - National Agencies responsible for the ECVET implementation
 - Policy makers
 - VET and adult education official institutions

Benefits

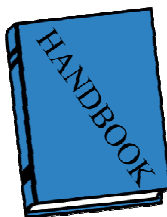

- ◆ Improved EU-wide capacity and quality of VET programmes for the SMEs
 - ◆ More transparent and transferable qualifications
 - ◆ Increased level of mobility of the employees and learners across Europe
- ◆ Stronger interactions between educational, business sectors and social partners
- ◆ Enhanced market relevance of skills and competencies

Project Objectives

Analyse the existing experiences and good practices in designing qualifications for SMEs in Belgium, Italy and Poland

Develop the 'European Handbook for the competence based Qualifications for SMEs' which will include operational methods and guidelines for defining professional qualifications for the SMEs

Test the 'European Handbook for the competence based Qualifications for SMEs' on a qualification prototype: HR Professional

Define and test quality standards for the ECVET implementation within SMEs

Innovations

Strong collaboration between the VET actors, employers and social partners for the development of the 'EUROPEAN HANDBOOK FOR THE COMPETENCE BASED QUALIFICATIONS FOR SMEs'

Test the Handbook through the definition of qualification prototype: HR Professional

The added value of ECVET Quality Standards and related assessment methods & tools for the SMEs qualifications
